Laboratory Activity No. 1: REVISED SYSTEM ARCHITECTURE of
CAPSTONE PROJECT

Name: _____

Course/Year/Section: _____

Title of the System: _____

1. In this activity, you will be working as a group on Capstone Project. Revisit your research documentation and brainstorm your System Architecture. With the comments and suggestions from your panel committee during the proposal defense, please include all the system elements, concepts, and characteristics of your proposed system.
2. In this document, paste (below) a high definition (HD) copy of your revised System Architecture in .jpg/jpeg,.png file format.
3. Below the System Architecture you will write a comprehensive discussion.
4. This is an individual activity. Although same output per group but **Everyone** is required to submit this file accordingly.
5. Convert this file into pdf.

*Paste here your revised System Architecture
(you may use the next page if needed)*
